There is a Safety Orientation Class (SOC) which you are required to attend. This class is only required one time as long as your membership remains current. All memberships expire on December 31st of the appropriate year and must be renewed prior to January 1st to keep from having to attend the Safety Orientation Class again and possibly payment of membership fee again. We have also implemented a Pistol Proficiency Test that is required for every member. (This is not an accuracy test but a necessary safety and procedure testing) Proficiency testing and the SOC are both required before membership is issued. We reserve the right to add any additional training we deem necessary to keep the range safe.
